

Att. 2 C 6
E6 HIA-57212
26 June 62

In response to SPILLER's earlier request for a summary of the results of SPILLER's 1953 HUBBARD-administered interview, SPILLER was given some 2000 with a brief summary of the results. (This summary was coordinated with SPILLER prior to passing.) SPILLER had a few nasty things to say about SPILLER and indicated that he might be all right from a security point of view, but she didn't trust him.

Att. A - 2 4-57212 - 26 June 62

SPILLER asked if SPILLER was going on the results of the LCP/SPILLER exam. SPILLER believed had been somewhat negative. SPILLER could be presented as had given SPILLER something at the time but that there was no record in SPILLER's files.
